Dear Mark, year and  
its been a fun year and  
im going to miss all of the  
good times. Remember slips  
school and the cover slips  
and frogs? Those are times  
not to be forgotten! Good  
luck next year at Riverside  
Take care of yourself and I  
hope to see you again.

Love,

Mark,

I enjoyed you in art. I  
hope the feeling is the same for  
you. all your little jokes &  
comments. Especially during  
your orange mountain pictures.  
Oh, I love your dixerup. OK.  
I will miss you next year. Really.  
I hope I will see you sometime.  
Love, Sue Mathis

MARK PANKIN 1973

Dear Mark,  
Well if it isn't my favorite marching partner! Well, these 4 years have really whizzed by, haven't they? It seems like only yesterday when Deeth laid her pile. Ha-ha. We sure had some good ol' times in election board, huh? It was really fun when Darlene Barry was Director. She was nice, but Debbie Glaser was a real crab. She sure must have hated us - but I don't understand why. Maybe she was just jealous 'cause we knew what to do and she didn't. Can you believe all the times we had to redo elections. By gosh, I betcha we set a record for the most illegal elections. Debbie was really dumb. Wasn't that funny when we would say "one" and "yes" in different languages - did Debbie ever get mad. Physics has been really "different" this year. Wasn't that funny when you rung Deeth's purse. Ha-ha! This year has been really fun and I'm glad we've become better friends. Good luck at Riverside and also in your health career - you deserve it.

P.S.  Forget 3 cans - I'll shoot for 2! Ha-ha.

Love always, Patti Burnette 1973

Mark,

I'm really glad we had art together this year. My only regret now is that I might not see you again. I hope that doesn't become true. Art club was fun that time we went to the art center. I don't think I've ever laughed as hard as I did when you and Eric made jokes about Miss Smith. Mark I think you've got great talent as an artist so if you fail (which you won't) at being a doctor(?) good old art to the rescue. You want me to hurry so I'll end with thanks for the joy in art. Love Katie Rutzel

yesterday we were,  
and today we are!

Dear Mark -  
 You know, I'm really going to miss you. You've been one of my favorite personalities during high school and I will fondly remember the good times we've shared. I could of never made it thru this year's teaming's (elections, <sup>Miss Schwartz</sup> math class, etc) without your assistance, good humor and friendly advice.

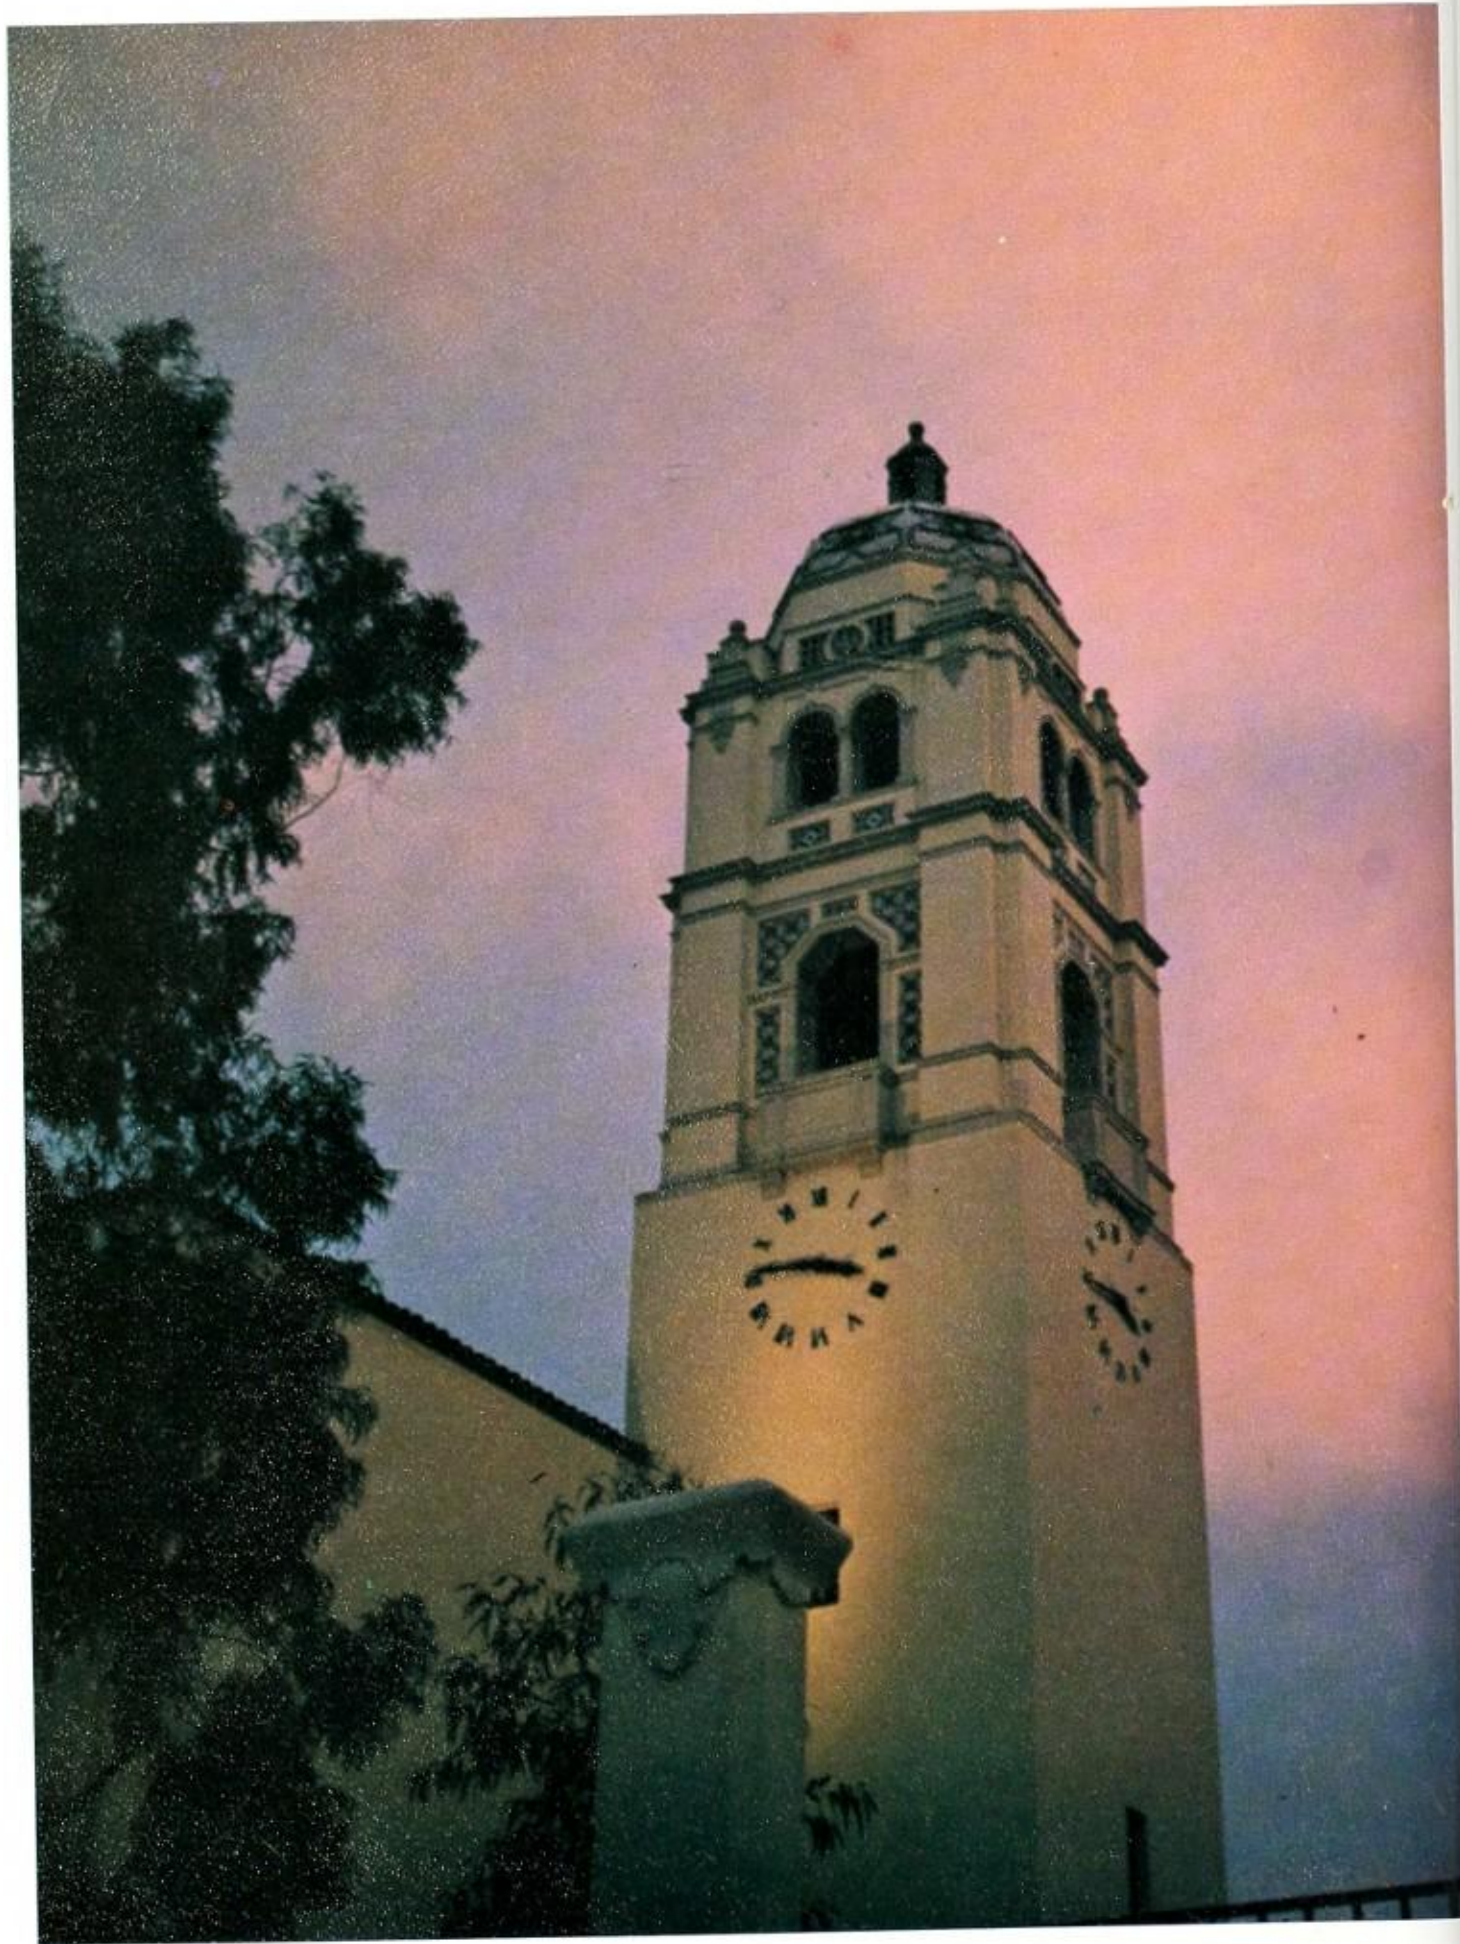

Mark, you have the ingredients needed for success and I know you'll go right to the top.

Come up and see me in Palobito - you welcome any time.

Always,

for that which is boundless in you

verily all things

the pursued and that  
which you would escape.

YOUR JOY IS YOUR SORROW UNMASKED.  
and the selfsame well from which your laughter rises

Dear Mark,

There are many things I will remember you for.....

- 1) The beautiful addition you made to my brand new trumpet.
- 2) The banner you created for the Fullerton Indians
- 3) your role as Man Behind The Scenes at EB
- 4) the memories of our talks and how I got to know you
- and 5) last the atrocities you committed against poor Dereth. I'm going to really feel the loss of many people this year as they graduate, but I realize that you are on to better things. Riverside will do well by you; you're an asset to any group or organization. I could really talk to you, Mark, and thanks for being a good friend. (like designing posters)

Be good, and do well.

Lots of love,

Mark,  
Our high school years  
are finally over and the  
saddest part of graduating is losing  
friends like you. It's been great knowing  
you (I have Pam to thank for that) and  
your special type of friendship. I don't  
have to wish you success in your future  
endeavors. I know you'll do good.

# spirit week

Spirit Week activities included Grubby Day, Hat Day, the Penny Race, and the Tricycle Race. The activities concluded with a Pep Rally featuring the traditional Mock Funeral of our rival school, Sunny Hills.

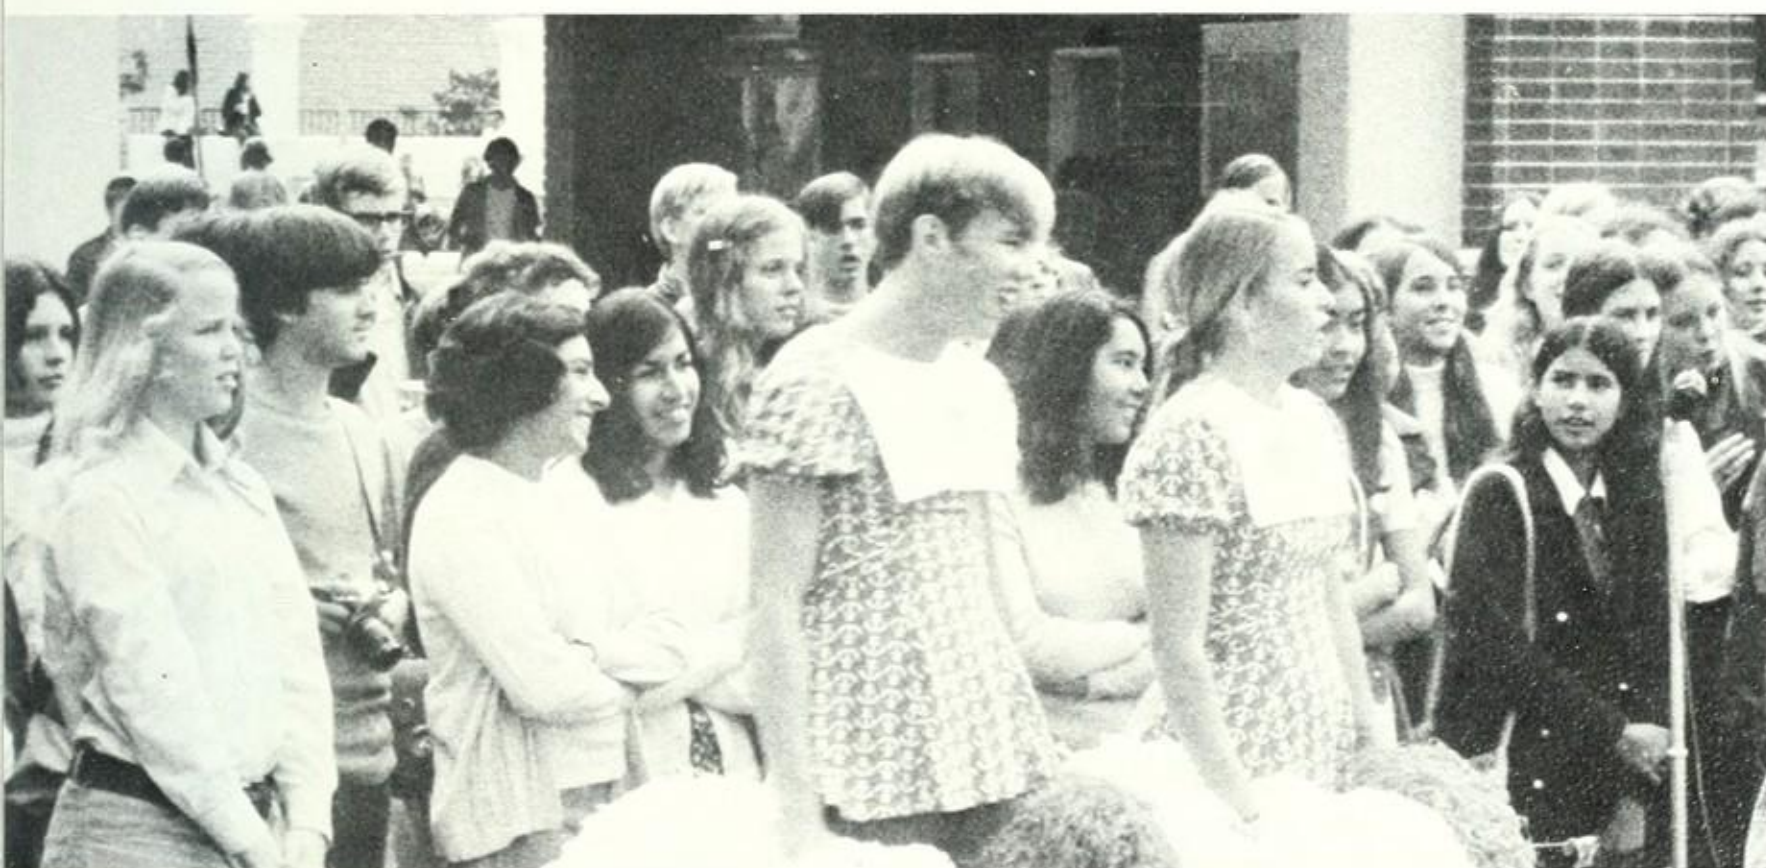

# homecoming celebration

A new tradition began this year with the Homecoming Celebration, which brought with it many new and exciting activities. These included the sponge-squeezing contest, in which the Freshmen kept their heads above the water for a victory; 1950's Day, which recalled the days of ponytails, bobby socks, and slicked-back hair; and Button-Grubby Day, which allowed students to express themselves by the buttons and clothes they wore. Eric Jacobson, Don Benno, and Pat Rather were named "Mr. Irresistible!" The Celebration ended with a Pep Rally on Alumni Day.

"Roses and Rainbows" was the theme of this year's Homecoming Dance, which was held in the Fullerton Community College Lounge. One of the highlights of the evening was the coronation of Miss Charlene Quijano as the 1972-73 Homecoming Queen by last year's queen, Miss Carmen Ayala. The people attending the dance will long remember "Roses and Rainbows."

## OUR town

The fall play for this year was "Our Town." The three act play centers around the Gibbs and the Webb families, living in Grovers Corners, New Hampshire, just after the turn of the century.

Nedda Shrum played the main character, the stage manager who kept the audience informed of all that happened throughout the play. The members of the two families were Eric Jacobson as Dr. Gibbs, Renee Marcoux as Mrs. Gibbs, Joe Cummings as Mr. Webb, Kathy Kane as Mrs. Webb, Brad Higbee as George Gibbs, Colleen Malone as Emily Webb, Lori McHenry as Rebecca Gibbs, and Joel Smothermon as Wally Webb.

Brad Hiltcher-1972 First Place Winner

The annual Thespian Talent Show, sponsored by Thespian Troupe #2498, was once again a great success. Doug Lowe served as Master of Ceremonies with his sidekick, Alan O'Hern. Last year's first place winner, Brad Hiltcher, returned to open the evening's entertainment. The Talent Show was complete with thirteen acts including music, dancing, magic, and a scene from *THE ODD COUPLE*. After tallying the votes, the judges awarded first place to "Drainpipe," a singing group. Greg Richter's organ solo won him second place, and a magic act performed by Bryan Webb captured third place.

# GIRL DATE

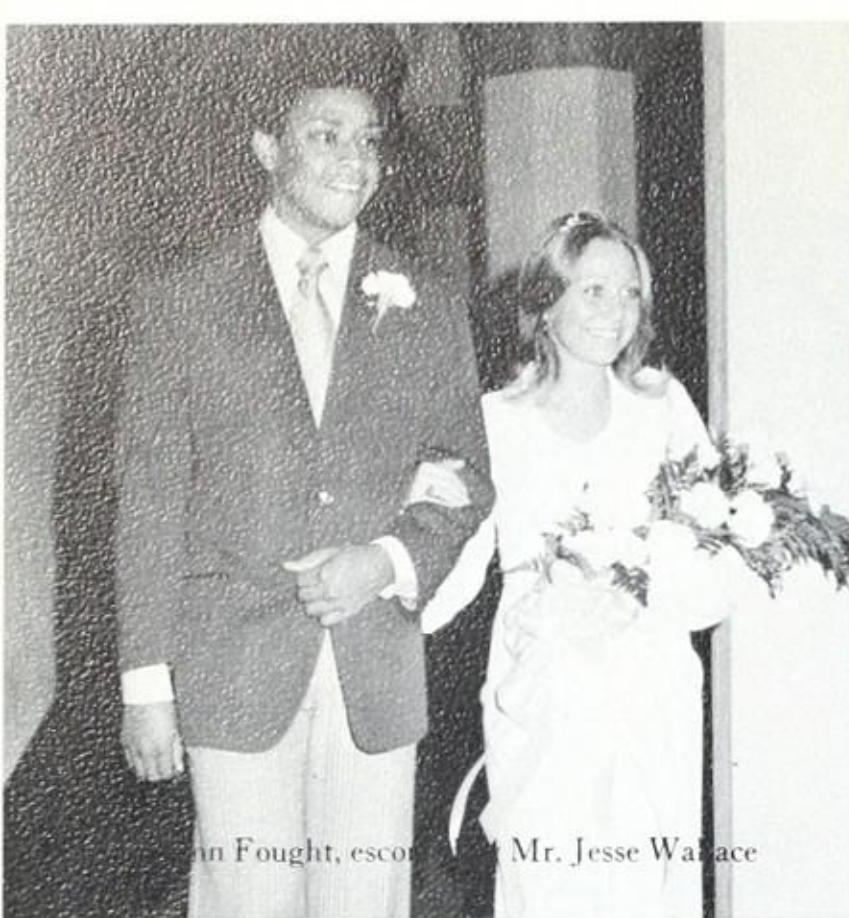

"Saturday Night at the Movies" was the theme of this year's Girl Date, planned by the Idakas. Many of the couples came dressed as their favorite movie stars and characters. The "Academy Awards" were held and "Oscars" were presented to the best actor and actress, and the best supporting actor and actress. The "Chapel on the Strip" gave everyone a chance for a quickie "Vegas-type" marriage. "Shade" provided the music for the evening. Old-time movies, movie posters, and popcorn added to the movie atmosphere at one of the best dances of the year.

# BYE, BYE BIRDIE

The spring play, BYE BYE BIRDIE gave a fresh look to school drama productions. This musical was a take-off on Elvis Presley and the fabulous fifties. More than one hundred students performed in this play and there were many excellent individual performances. Eight departments were involved and they all contributed to the production of BYE BYE BIRDIE to make it the great success that it was. All who participated deserved the recognition that they received.

# instrumental concert

"Night of One-Acts" provided a variety of dramatic entertainment. Under the direction of Mrs. Beverly Booth, three one-act plays were performed by Fullerton High School students. They were: "Visitor From Forest Hills," Act III of Neil Simon's PLAZA SUITE; "Hello From Bertha," by Tennessee Williams; and "Fanny the Frivolous Flapper," a musical melodrama.

"Drill team, march!" This can be heard at the early morning and after school practices of the 1972-73 Featherettes as they strive for perfection in their marching routines. In addition to performing halftimes and pep rallies, Debbie Calhoun and Debbie Garrison lead the Featherettes as they proudly represent FUHS in competitions and parades. Under the guidance of Miss Betsy Lanman, the Featherettes uphold the Indian tradition of school spirit, enthusiasm, and good will. March on, Featherettes!

## willie ugh

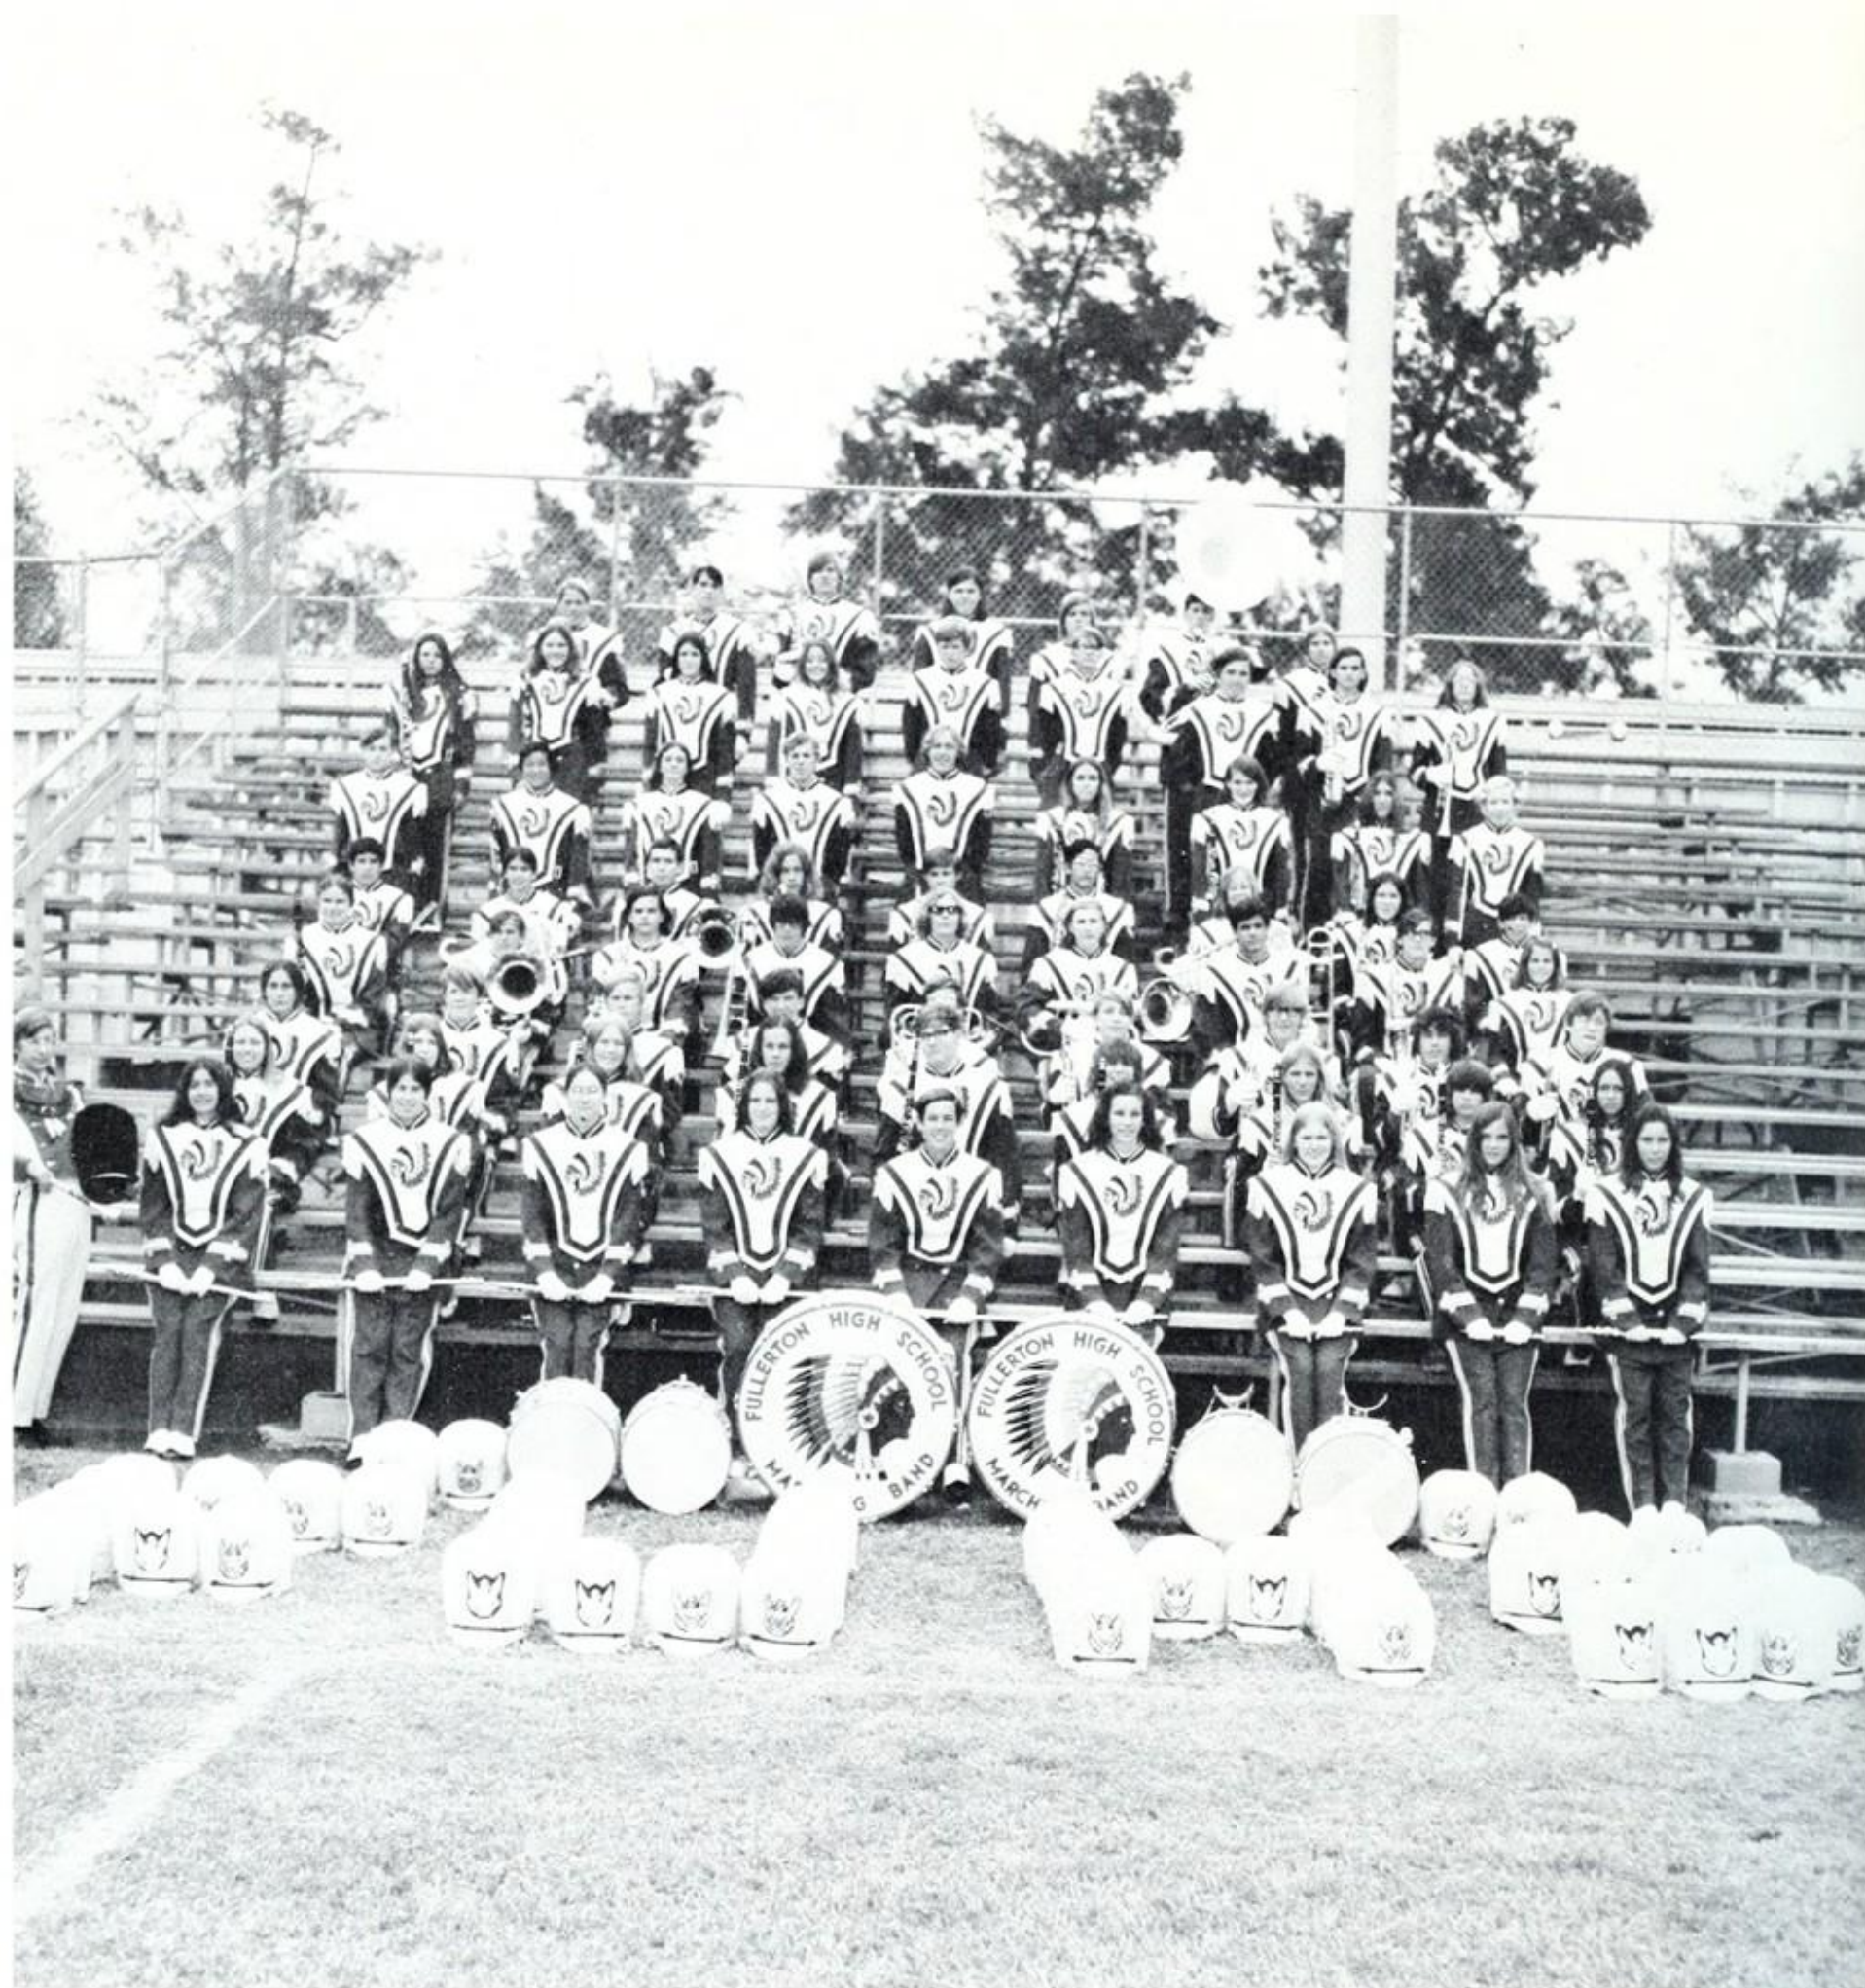

This year's Cherokee Dancers have done a good job of promoting the Indian spirit. Besides the traditional football pre-game war dance, they also performed at basketball games, pep assemblies, and rallies. This year they performed to new music-the "Pom Pom Chant." For the first time the Cherokee Dancers were involved in a football half-time, where they performed a jazz dance to "Fancy Colors."

Supporting the Cherokee Dancers was Charles Cacciata as Willie Ugh, our school mascot for the 1972-1973 school year.

This year Willie Ugh and Cherokee Dancers had their pictures taken at Knott's Berry Farm in Buena Park.

The Marching Band promoted school spirit by competing in parades and other activities. The band succeeded in meeting the high standards of previous years.

Idakas has been an active club on the FUHS campus since 1957. Special projects conducted this year included: planning and sponsoring the girls' Freshman Orientation Assembly and Box Lunch Social at Hillcreat Park; hosting a Christmas party at Fairview; and sponsoring two dances, the Christmas Dance and Girl Date. Idakas collected \$275.00 for charity organizations and ushered at numerous functions at Plummer Auditorium. The word "Idaka" means service, and that is the purpose of this dedicated and enthusiastic group of girls.

# pleiades staff

The goal of the newspaper staff is to publish a paper both to inform and entertain the students. The PLEIADES has a variety of articles and it is interesting and helpful for many people. The staff members demonstrate their skill in journalism through the newspaper. Some of their activities include break sales and swimming parties. Their motto, "Groovy Bananas! Tomorrow we've got to get organized," can be heard before the newspaper deadline.

THE LITERARY FEATURE MAGAZINE is a collection of writing by the students of F.U.H.S. The editors select the ones for publication from those that are submitted. They meet everyday during the same time as the PLEIADES Newspaper. The editors' messy desks are an indication of the hard work that goes on. This was the first venture of its type in the 80 year history of F.U.H.S.

# annual staff

Wynette Cook, Editor-in-chief, and Jackie Mueller, Assistant Editor.

Dear Mark,  
 I'm glad you got your SR-10, and whenever you use it remember me. This has been quite a year all so full of memories to even begin to write it all. I'm glad you were surprised about your service award, you deserved it. May you always find the best in life.  
 Always,  
 Wynette Cook

you would measure time  
 the measureless  
 and the immeasurable . . .  
 and is not time  
 even as love is,  
 undivided and spaceless?  
 Kahlil Gibran

There is no way that I can begin to explain to the student body of FUHS what takes place all year to make it possible for this annual to be published. The annual started as an idea and dream of two people. It was conveyed to twenty-two staff members and from there the idea took form on paper as layouts. Copy was written and typed for each page with somewhat questionable accuracy. Pictures were taken, proportioned, and added to each spread. Once it was corrected, the page received signatures and was sealed. With enough pages completed, they were mailed. (Usually two minutes before the post office closed on the day of the deadline.) If one was listening closely, it was possible to hear a sigh of relief and a prayer of thanks from the editors. Take all this and much more than can be put on paper and you have a creation called an annual.

The staff this year was inexperienced in producing an annual. With a lot of patience and spirit we made it through. Even now the spirit of the staff lives on. This spirit is found in the masking tape on the windows, proportioners, scattered half-typed pages of copy, unused pictures, triplicate copies of layouts, and brownlines.

This staff has tried to capture what FUHS is to its student body and faculty. We have tried to put this on pages to make a book full of memories. Some will feel we have missed the point, while others will be very happy with the book. Granted the annual is not perfect, neither was the staff or its editor. Yet in your hands you hold a year's work that I feel could not be better.

My special thanks to -

Jackie, my assistant editor, counselor, daughter, and painting buddy, who was always there when I felt lost and without her the annual couldn't have been

... Claudia, for her service above and beyond the call of duty . . .

Mrs. Booth, for her backing of the staff and her patience . . .

Mr. Brennan, for his editor's workshop. . .

Tom, for the aerial photograph of the school. . .

Renee, for handling the sales of the books and understanding when I changed the deadline. . .

Pete, for his great cooperation on the theme. . .

Cindy, for her characterizations of the staff. . .

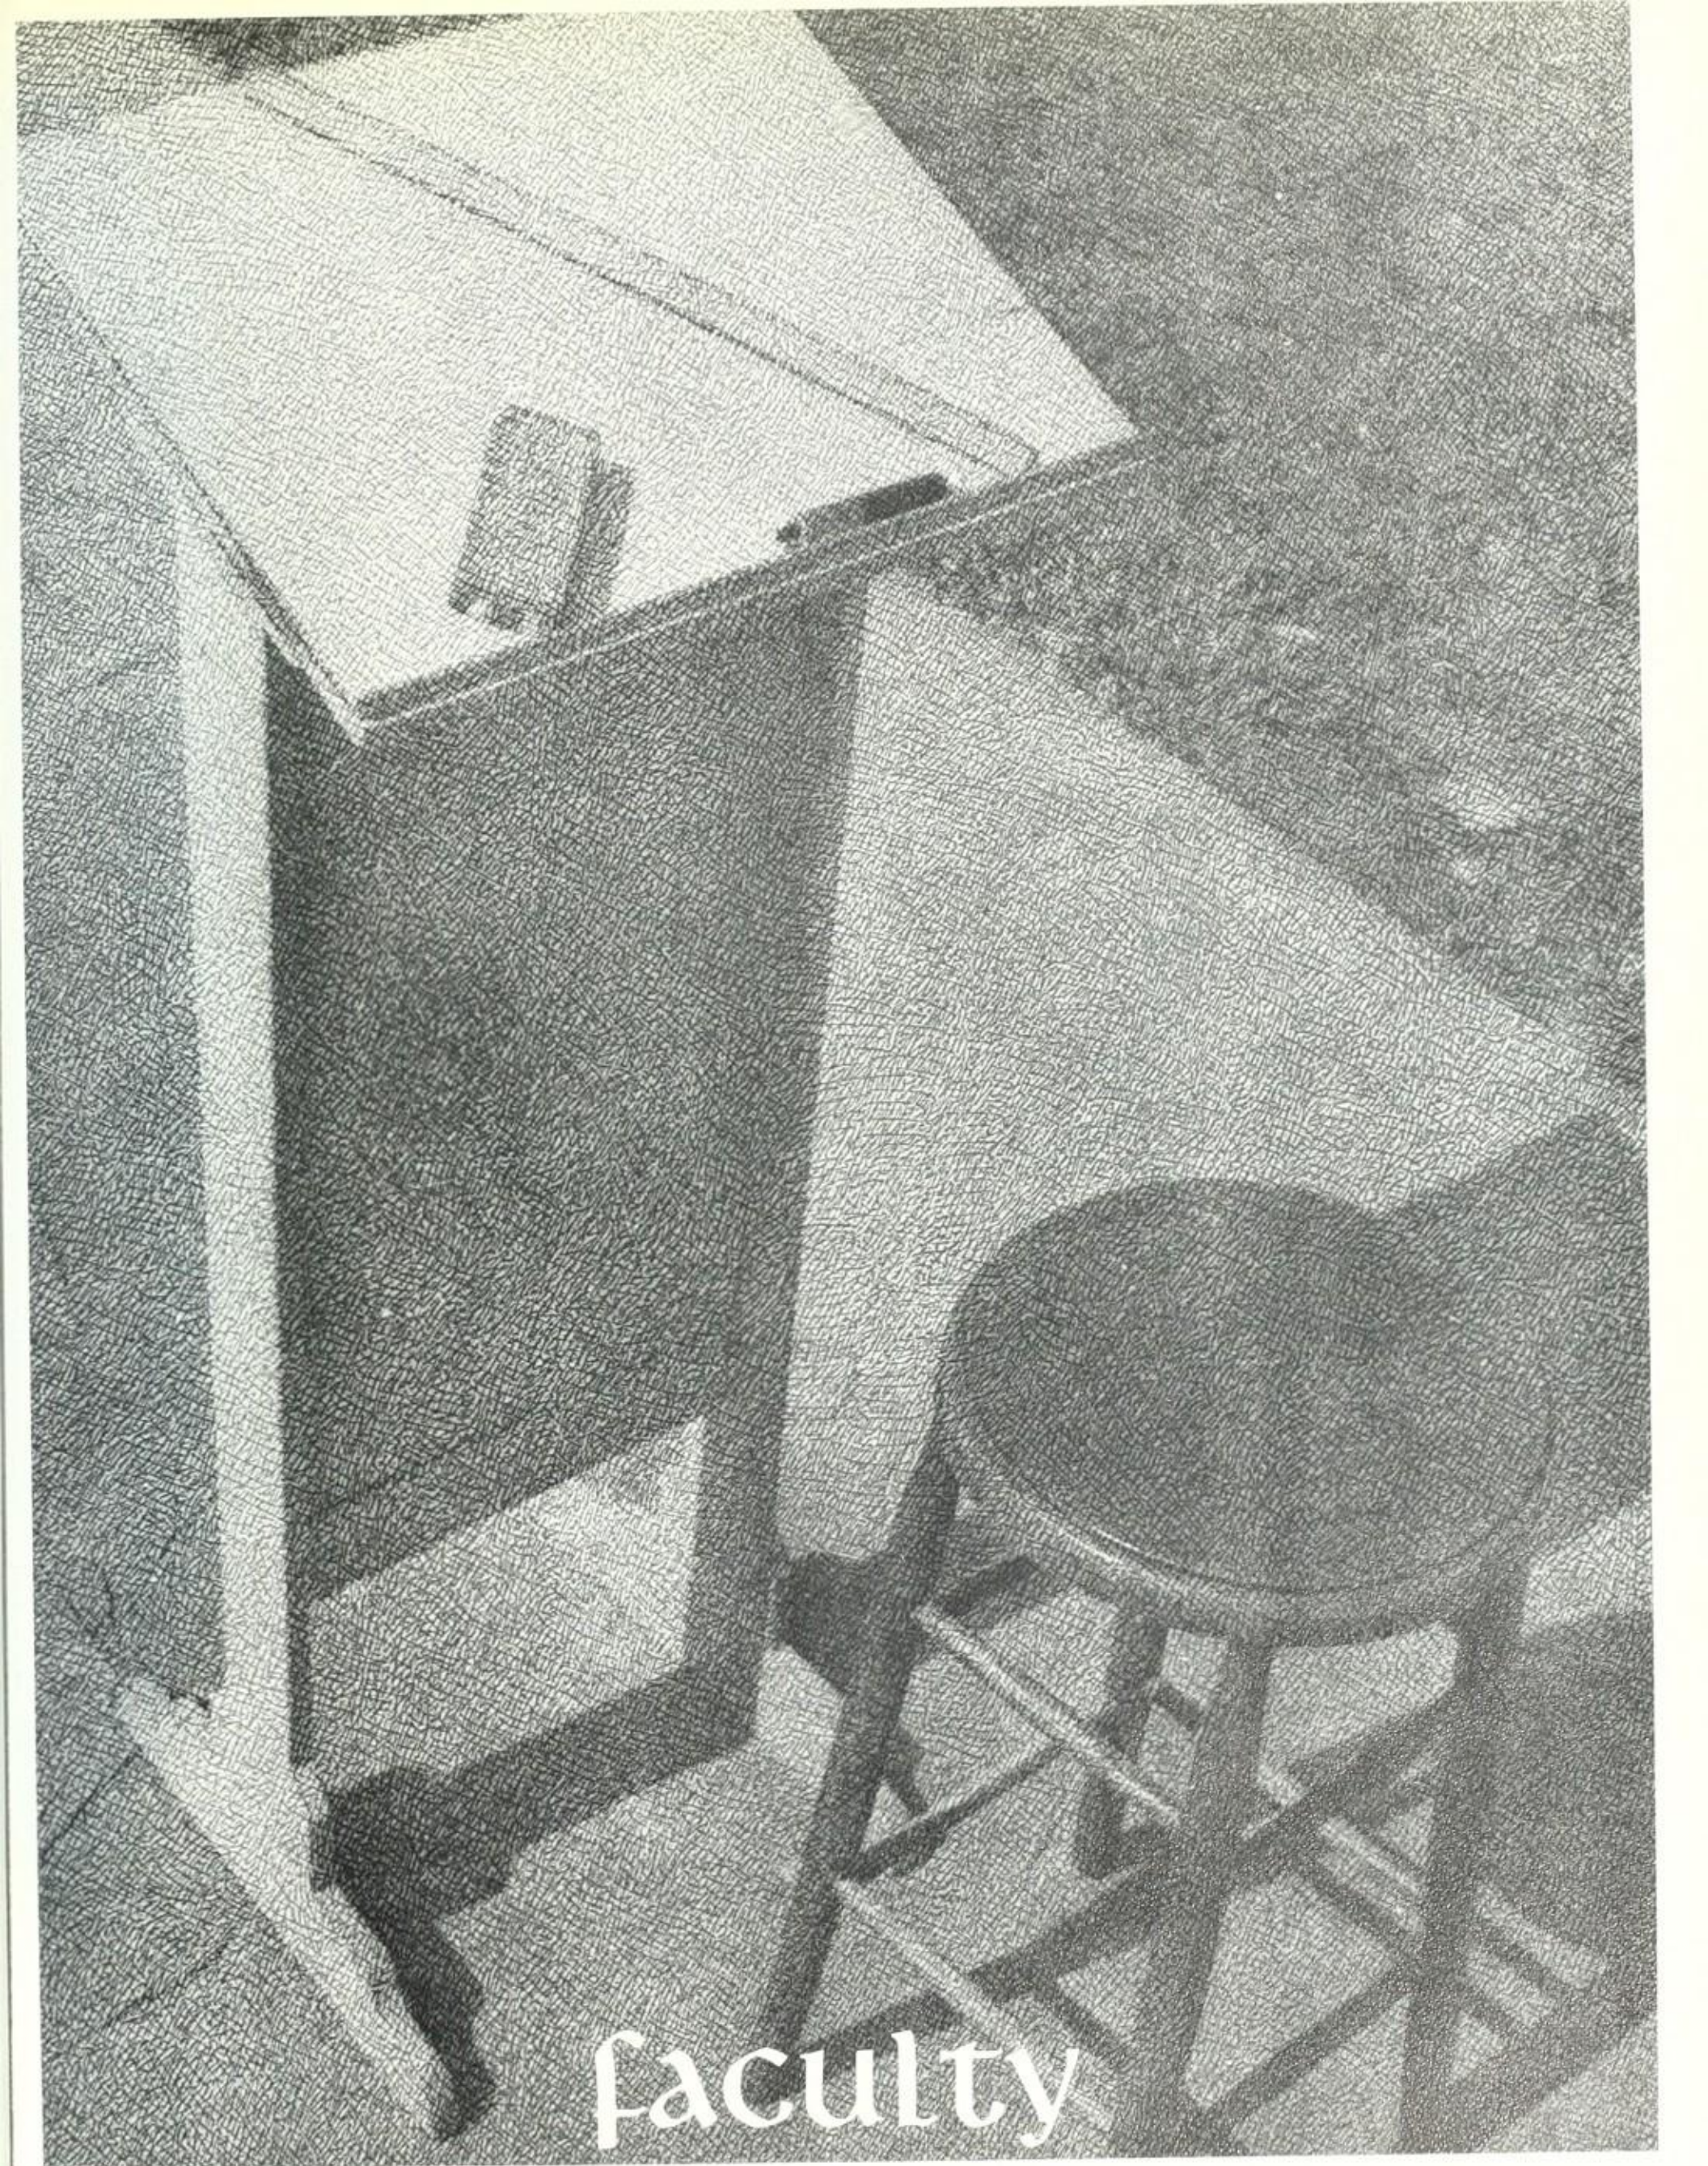

Each and every staff member, to whom I would like to say that you will have many memories of being on staff. I hope that you will laugh at the times there was yelling about deadlines, tears because you'd made a mistake on the copy you were typing for the eighteenth time, and no pictures because Tom didn't show up. I hope these will become fond memories. But most of all I hope you are proud of the book you helped to create. My thanks for your tears, patience and dedication that produced this annual. . .

Dear Mark:-  
 Your four years here  
 just can't be over. The  
 past two have gone  
 so fast. Hope they  
 haven't been completely  
 wasted. What I'm  
 worried about is who  
 can I insult & "kick  
 around" next year.  
 It takes a lot of stamina  
 & stomach to stand  
 up to me & I'm not  
 glad the department  
 has that sort of  
 material next year.

 In would think after

## faculty

Eleven new teachers and many new classes were added to Fullerton this year. Several English and Social Studies electives were added that better fit the needs of the students as a result of a survey conducted last year. These electives include such classes as Modern Poetry, Speed Reading, Chicano Studies and Minorities. This has provided a more congenial attitude between the faculty and the students. Also initiated into the curriculum were classes such as Computation and Measurements, Veterinary Science, and Better Living.

# DR. ROBERT french principal

Completing his fifth year at Fullerton, Dr. Robert L. French has again succeeded in making many changes to improve the campus. One important change he helped to bring about is the open campus policy. Dr. French is always willing to talk directly with the students concerning many problems that arise during the year. This interest he shows in the students has helped to give our campus a friendly atmosphere between the administration and the students.

Mr. Richard Jackson

Mr. Barney Stratton

## assistant principals

New to the FUHS administration this year is Miss Diane Austin. She is an assistant principal and is primarily responsible for student body activities as well as working with the executive board. Formerly Miss Austin was assistant principal and director of student activities at Poway High School. Her enthusiasm and friendliness has made her a favorite with many students.

Mr. Richard Jackson has become a familiar face on our campus. This year Mr. Jackson has general responsibility for instruction and curriculum. He also assists at student body activities such as concerts, dances, and graduation. His fourth year at Fullerton has proved to be a successful one.

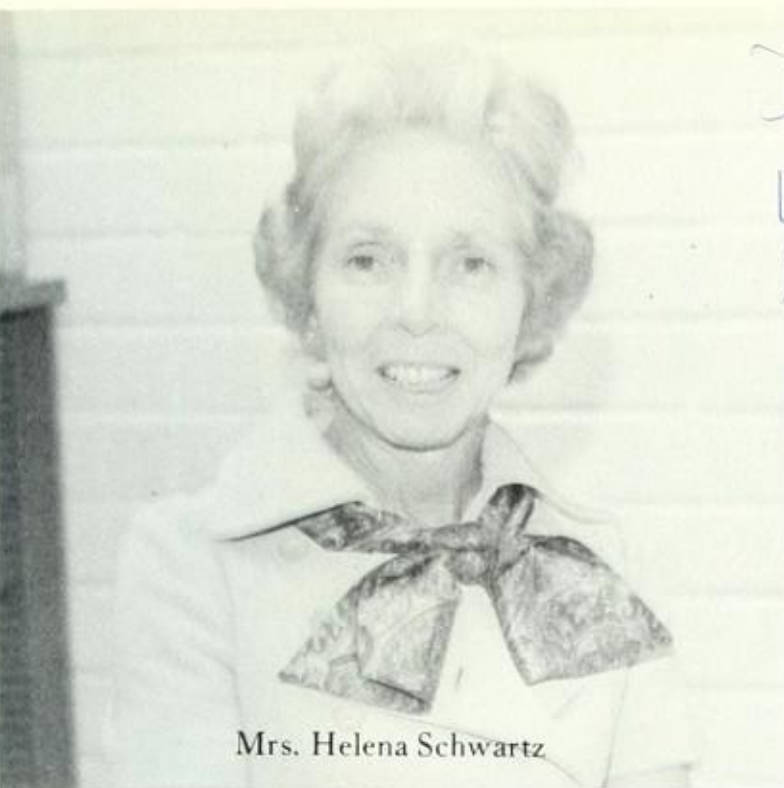

In his second year as assistant principal Mr. Barney Stratton's main responsibilities have been counseling and attendance. He initiated the college-type registration system which proved to be very effective.

# SENIOR SERVICE awards

Mark,  
This really  
been some year. I am  
so glad to have you as a  
friend. This year has really  
been an experience. We sure had  
some good times together. Remember when  
you got Death's letter? He was so hysterical.  
I thought, "Did he really get a letter from  
Death, pal?" I was so excited when they  
after a football game. You had given  
Mark, I am so glad we got a Senior  
Service Award. I was so excited when they  
called your name. Remember, Brenda, Clickin Board,  
so much to this school through. This school really won't  
let, and I'd know what else. I think what  
is the same without you, but a guess that's what  
everyone says about the seniors. I think we  
should mail 5,000 copies of this page and drop  
them all over the city of Sulliston.  
I'm really gonna miss you, Mark.  
Thank you for everything.  
Love,  
Jesse Spence

Mrs. Virginia Pickering

## assistant principal

New to the F.U.H.S. administrative team is Mrs. Virginia Pickering. Mrs. Pickering assumed the post of assistant principal. She was selected to replace Mr. Richard Jackson who accepted a position of principal at Villa Park High School in Orange. Mrs. Pickering, a Fullerton resident, brings 19 years of teaching and administrative experience to her new post. In a realignment of administrative duties and responsibilities Mrs. Pickering was given student activities as her main responsibility.

if in your thought you must measure time into seasons,  
let each season encircle all the other seasons,  
and let today embrace the past with remembrance  
and the future with longing.

Mark -  
You are truly one of those rare  
individuals who make their spot  
and presence known. During the two  
years that I've known you, you've  
come into the realm of adulthood with that  
warm gift of sensitivity and love so often  
lacking in mankind.  
Thanks for the joys and sorrows shared, for  
being a friend and being you. I don't think I shall  
ever forget the neat talks we've had and the  
experiences we've shared.  
May all your fondest dreams become realities  
and may God bless you richly.

Shalom and love,  
Mrs. S.

Mark,

Ya know, you really are  
Crazy, but stay that  
way cause you really  
are great and I'm glad  
we're friends. You, Patti  
& Dereth are a crack-up.  
I hope we all will see  
each other in the future.  
Good luck and love always.

Mark -  
How can I ever forget  
this year? What  
1st period this year? I  
crack-up! Mr. Bennett  
never had such a class. You  
really helped to make it  
fun! I'm really glad that  
I got the chance to meet and  
talk to you. I've enjoyed  
those dumb magic tricks with  
you! Good luck in all you do.  
I hope I get to see  
you some after school is out.  
Thanks for making class  
so much fun. Love always,  
Sue V.

Mark, really glad  
I got to know you.  
This year in Civics. C.  
Ray Johnson was too  
much. You are a great  
person. A lot of fun. I  
wish you the best of luck  
in the future and I hope  
you do well in your chosen  
profession. I think of you  
a lot and I hope later  
you'll be at Grad Night  
maybe at Governor's? Have  
a great summer and don't  
get into too much trouble  
Love,  
Janet

mark,  
 the last  
 of your great  
 years has come  
 to an end and  
 I regret to see my  
 friends like you go  
 their own ways. I  
 calculus and physics would  
 have been super dull without  
 you there. I hope in your lifetime  
 you don't run into any more teachers. I  
 like Mr. Hogan. Good luck in  
 math, because you deserve only the  
 best. Remember, after we both get our  
 have to put up practice together.  
 Good luck always, Mark, and  
 keep in touch.  
 Love,  
 You are  
 because  
 real

Dear Mark,  
Well, it looks like the end of another year at FULTS. To me, just another year, but I might not have another chance to say this. You're a great guy and you'll go far. Just keep on going, going after what you want and making it yours. Every thing you do, do good. I'll hear great things of you someday.  
Good Luck always, and God Bless you.  
Love,  
Cathy Bailey

to Mark,

Well, can you believe that our year in Physics is almost over? It was kind of a dull class, but everyone really lived things up! Especially Eric, huh? This is so sad, & to think at the beginning of year we could hardly wait to get out. You and Eric really tease me a lot, and I know you were kidding even though I sometimes get mad, but who wouldn't? You really embarrassed me a lot, but the funniest thing was when you hung up my listards. I didn't think I'd forgive you, but I let it slide.

Remember the time we went to the haunted warehouse and we all went hot but you? That was a crackup! I'm glad we had some good times and were such good friends.

Lots of luck in college. I know you'll do good. Come by sometime and say "hi" ok? Oh, I almost forgot. One free ticket to my m. parlor.

Love always,  
Dorothy
